

Madagascar discovery

includes...

**National Parks & wildlife sanctuary.
Amazing scenery, flora & fauna.
Get up close with a Lemur.
Lake trip.
Night safaris.
Palaces, villages and markets.
Malagasy cuisine.
Massive Baobob trees.**

You are invited to join our small group to discover the culture, people and scenery of Madagascar.

Interested in the amazing and unique flora and fauna of Madagascar - then this tour is the one for you.

There is a huge variety of lemurs (100 species endemic to Madagascar), Tomato Frogs, colourful chameleons up to 2 feet long, other unique species, leopards and elephants. But it's not just about the animals and plant as we explore the culture, history and amazing cuisine (a blend of South-east Asian, African, Oceanian and European), and the friendly Malagasy people at this rarely visited destination.

Our local guides take us to the "must see" locations, but also to hidden gems.

Main meals are included on this tour along with attraction fees.

Our groups typically comprise a mix of solo travellers and couples. If you are by yourself - you are **WILL NOT** be travelling alone.
